COMPREHENSIVE PROTECTION PLAN

CMD Powersystems Comprehensive Protection Plan covers one yearly Preventive Maintenance service call and if a failure should occur we will repair your generator and transfer switch at no additional cost to you.

CMD Powersystems, Inc. will service your generator once per year to include checkpoints (see list). Should a failure occur while covered by this plan, CMD Powersystems, Inc. will repair or replace your generator or transfer switch at no additional cost to you. CMD Powersystems, Inc. will use only OEM original new or remanufactured parts or components to repair your generator, following manufacturer recommended repair procedures. This plan covers all parts, (excluding batteries, belts, and hoses) labor and travel cost except for noted exceptions below:

1. A \$50.00 standard charge per incident
2. All work will be done during normal business hours
3. For Emergency or after hours service, there will be a \$100.00 standard charge.

The charge for the Comprehensive Plan will be \$ _____ . All charges are payable in advance. Your coverage under this plan will be automatically renewed for consecutive one-year periods upon the anniversary date unless you give written notification of cancellation.
